**Dear participants in the IETM Satellite Meeting in Seoul 2007,**

I hope this letter finds you well.

This is Gyu Seog Lee, President of the Korea Arts Management Service, which co-organized the IETM Satellite Meeting in Seoul held from Oct. 11 to Oct. 14, 2007, in tandem with the IETM Secretariat in Belgium.

Today, I am writing to you on behalf of all the staff members in the KAMS office who worked for the IETM Seoul Meeting, in order to extend our heartfelt thanks to you for the support and cooperation that you kindly rendered us. It was our greatest pleasure and honor to have had the chance to work with you over the past couple of months and to finally meet you here last week. Without your much valued cooperation, it would have been difficult for us to successfully conclude our four-day sojourn through the theme of “Euro-Asia Express.”

During the time of the IETM Seoul Meeting we received altogether 251 participants in the sessions, from both home and abroad, who constantly manifested a keen interest in collaboration between Asia and Europe in the performing arts sector. The Seoul Meeting has rejoiced in the favorable reception of its intellectually-provocative sessions and networking programs, as well as in the many positive comments on its organizational capability by many international delegates.

The International Exchange Department, along with other departments at the KAMS office, will now make every effort to confirm the KAMS as “a channel to the Korean performing arts” disseminating its dynamism throughout the world, as well as contributing to the international collaboration in the performing arts sector.

With this in mind, I would like to ask for your continued interest in the Korean performing arts and hope that the ties we made through the IETM Seoul Meeting can be further strengthened in the future.

I wish you the best of luck and good health in the coming years.

Sincerely yours,

Gyu Seog Lee  
President  
Korea Arts Management Service
