

Perform Europe

Perform Europe Open Call Step 1 – Prepare your application

Please note: You will not be able to save a draft of your application once you start filling out the online Perform Europe application form. The questions we ask are below. You can start preparing your application and motivation in advance. You'll be able to copy and paste your answers in the online application form.

This reference document is only intended to help you to prepare your application. Please make sure to also read [the full Perform Europe call](#) before applying.

Once you are ready, you can apply before 7 July 2021 at 23:59 CEST through the [online Perform Europe application form](#).

Perform Europe Application – What you'll be asked

Important: This reference document is only intended to help you to prepare your application. Please do not send us this document with your answers. You can only apply for Perform Europe through the [online Perform Europe application form](#). There, you'll be able to copy and paste your answers.

You are applying as (multiple answers possible):

In this section, you will have to tell us if you are applying as **producer** (organisations, companies and collectives, individual artists, or presenters which have produced an artistic work or developed an artistic concept that can be implemented in various contexts) or as **presenter** (venues, festivals or other types of organisations offering a presenting context). **You can tick both boxes if you are applying in a double capacity.**

Producer

Presenter

Perform Europe is co-initiated by a Consortium of 5 organisations and funded by the Creative Europe programme of the European Union

Set up your profile

In this section, you will have to set up your login details, which will allow you to access your Perform Europe profile. Please make sure to store them in a safe place, as you will need them to check the results of the open call in the last weeks of July.
